Membership 2009

Categories of Membership

Personal, Special, Student and Institutional, and within each category, members choose to be either a **Primary** or **Secondary** or a **Primary and Secondary** member.

- **Personal** Membership is available to any person interested in the aims of the Association (not available to institutions).
- **Special** Membership is only available to full-time post-graduate students, retired and unemployed persons as well as teachers in their first year of teaching who are interested in the aims of the Association. Teachers with part-time employment should join as Personal Members.
- **Student** Membership is available only to full-time **undergraduate** students
- **Institutional** Membership is available to schools, companies, and other institutions that are interested in the aims of the Association. These institutions are required to nominate a person to be their representative. This person is entitled to vote at general meetings.

Membership is for a calendar year. Members who have not renewed their annual subscription by 1 April each year cease to be members of the Association. Those joining later in the year receive back copies of relevant material for that year.

Membership Entitlements

Primary Personal Members receive eight newsletters, four issues of the primary journal *Square One*, three *PAMphlets* containing teaching ideas, discounts on inservice programs and single copies of publications.

Secondary Personal Members receive eight newsletters, four issues of the secondary journal *Reflections*, the solutions book for the current year's HSC, discounts on inservice programs and single copies of publications.

Special Members receive all newsletters and journals for their category, discounts on inservice programs and single copies of publications

Student Members receive eight newsletters, four issues of a MANSW Journal in accordance with the category for which they subscribe and are eligible for discounts on inservice programs and single copies of publications.

Institutional Members (both Primary and Secondary) receive all newsletters and journals for their category, will be able to send **two** staff members to each inservice program at a discounted rate and will have access to cheaper rates for their students attending student-based activities. Institutional Members will also receive discounts on bulk orders of publications.

Australian Association of Mathematics Teachers (AAMT)

MANSW is affiliated with AAMT (the national federation of the twelve state and regionally based mathematics teachers associations in Australia). AAMT works to support the work of teachers, promote the learning of mathematics and represent and promote interest in mathematics education. Through our affiliation MANSW members are automatically members of AAMT, giving MANSW a voice in national education issues. MANSW contributes a fee of \$25 per Personal or Special Member and \$35 per Institutional Member to AAMT. All MANSW members are entitled to receive copies of the AAMT newsletter *HCF* (*Student Members receive HCF by e-mail only*) and member discounts on AAMT publications.

Would you like to be more involved in MANSW?

MANSW needs your time and energy! Much of the work of the Association is done by volunteer subcommittees, which always welcome new members. Please indicate if you would like to become involved with any of the following:

- | | | |
|---|---|---|
| <input type="checkbox"/> Primary program | <input type="checkbox"/> Mathsearch (Competition for talented secondary students) | <input type="checkbox"/> Post-secondary services (e.g. teaching tertiary mathematics, adult education, teacher education) |
| <input type="checkbox"/> Primary publications | <input type="checkbox"/> Talented Students' Day (for Extension 2 students) | |
| <input type="checkbox"/> Secondary program | <input type="checkbox"/> Annual Conference | |
| <input type="checkbox"/> Secondary publications | | |
| <input type="checkbox"/> Research | | |
